A plea for your help in relation to the day-to-day running of St Wulstans.

It would be good to get the church in a healthy position by the time covid restrictions disappear. This will bring about at least three benefits:

- 1) Fresh ideas will be brought into play to improve how things are currently done.
- 2) Members of the congregation will enjoy getting to know each other much better.
- 3) No task will be too onerous for any one person, and the load does need to be spread as 'having all the eggs in one basket' could lead to chaos in the event of the basket disintegrating!

As a starting point would you be prepared to take on responsibility for any of the following - if so please contact June Stallard (01684 540357 or june@junestallard.plus.com):

- a) Cleaning rota: (compiling and sorting out any problems that may arise, focusing on sanitising and also ordering cleaning materials for the church and informing relevant cleaner when extra services are taking place).
- b) Stewarding Rota (compiling and sorting out any problems that may arise, and making sure extra services are covered)
- c) In charge of maintaining the garden bank in front of the church.
- d) Newsletter - (compiling information, composing and distributing)

Any of the above responsibilities could be done by a man as well as a woman, or even both!

There is a current Rota for a) & b) which doesn't expire till the end of July so you will have plenty of time to look at what is needed and, of course, you will be given all the help you require.
